áðr

for violin and piano

Durata: ca. 12 min.

áðr is an Old Norse word with meanings such as before, everything and a long time ago. The piece áðr is modern music, but with a hint, an affinity towards something which has already been – even several hundred years back in time.

First performance 07.03.2024 at Kammersalen, Horten Kulturskole and second performance 08.03.2024 at Vendskaben, Asker.

Performers: Ingvild Habbestad, violin and Joachim Kwetzinsky, piano.

With financial support from Komponistenes Vederlagsfond and Norsk Kulturfond
