

Lene Grenager (2024)

An Atlas of Geographical Wonders/Part II: Mountains

for high voice and trombone

ND  
noter

This music is copyright protected

*An Atlas of Geographical Wonders/Part II: Mountains* is a commission from the concert series Periferien funded by Norsk Kulturråd and written for Viviane Hasler and Antonio Jimenez Marin.

**Notation:**

Numbers 1, 3, 5, 7 etc are continuous glissandi following the shapes of the lines.

The written pitches are just to be touched before continuing the glissando and acts as «anchors» for the musicians.
