En stad låg i fördolvanden, och ur hennes länder sprang tvillingar skamman hemvändsle och svart hat. Röd var midnatten;

of death and fury filled the air and trembled underneath the stars when church spires pointed silently to Them. And all this was to sate the greed of greedy men

Doth not this justice of hell stink in Thy nostrils, O God? How long shall the mounting flood of innocent blood roar in Thine ears and pound in our hearts for vengeance? Forgive the thought! Forgive these wild, blasphemous words! Thou art still the God of our black fathers, and in Thy soul's soul sit some soft darkenings of the evening, some shadowings of the velvet night. -

But whisper—speak—call, great God, for Thy silence is white terror to our hearts! The way, O God, show us the way and point us the path.

Whither? North is greed and South is blood within, the coward, and without the liar. Whither? To Death?

Amen! Welcome dark sleep!
