### THE RHYTHM AND THE BEAT

Sing out your songs! Sing out your songs!!  
 Sing your songs !!!  
 Proud and strong sing your songs  
 Music throughout your lives belong  
 Coloured words of peace and hope  
 Tumble through life's kaleidoscope  
 Music pulsing through the veins  
 All your emotions release their chains  
 So sing with joy and sing with cheer  
 So that all of the world can hear  
 The rhythm and the beat  
 Will make you tap your feet  
 And clap your hands in time  
 With the rhyme  
 The cascades of notes that fall  
 Our songs we will recall  
 The memories we made  
 Will not fade  
 Sing songs of cheer as chords appear  
 Pictures inside your mind are clear  
 All the stories you recall  
 Come to life with music's call  
 Let the music calm the soul  
 May friendship be your only goal  
 Share love and hope throughout the world  
 The flag of peace is then unfurled
